*EMERGENCY CONTACT:	*EMERGENCY CONTACT TELEPHONE:

All areas marked with \* must be completed

**Please read the following and sign:**

I agree that, if selected as a semi-finalist in the Southland Motor Car Dealers Association's 2009 Automotive Technology Competition for High School Seniors, I am willing and able to work the required internship hours at a local dealership (required hours may be up to 10 hours per week, a local dealership will not be more than 10 miles from the student's school). I understand that by completing this application I am registering for the qualifying test and this in no way ensures that I will be selected as a semi-finalist. I'm a high school senior age 21 or under who will graduate in 2009.
