The table above shows new retail light vehicle registrations in the Southland and Central/North LA County areas for the following time periods: March 2009 and 2010, and year-to-date figures for 2009 and 2010. **Please keep in mind that monthly registration figures for area markets can occasionally be subject to fluctuations, resulting in over or under estimation of actual results. This usually occurs due to processing delays by governmental agencies. For this reason, the year-to-date figures will typically be more reflective of market results.** The top 10 ranked brands in each percent change category are shaded green.
